Dear Mr. Steck:

Thank you very much for serving on the panel at the Roundtable Discussion on Gun Violence that I hosted with Congressman Himes last Thursday. Your expertise and insight were an invaluable addition to the discussion and I greatly appreciate your participation.

In light of recent events here in Connecticut, as well as the ongoing problem of gun violence in our communities, I intend to make this critical issue a priority as I begin my service as a United States Senator. As a leader in your field you are on the frontline of these issues every day. Therefore, your advice and counsel are critical as I work to be a leader for meaningful change. I appreciate your help and will continue to seek your advice and counsel as we work together on behalf of our state and our nation.

I will keep the lines of communication open and hope that you will keep in touch on this and other matters of mutual concern. Please contact me or my State Director Kenny Curran at (860) 549-8463 if you have additional thoughts or questions.

Every best wish,

CHRISTOPHER S. MURPHY
United States Senator
